

Software engineering (SE) is concerned with developing and maintaining software systems that behave reliably and efficiently, are affordable to develop and maintain, and satisfy all the requirements that customers have defined for them. It is important because of the impact of large, expensive software systems and the role of software in safety-critical applications. It integrates significant mathematics, computer science and practices whose origins are in engineering.

Course : **SCA (Short Term courses Of Computer Application)**

Duration : **3 Months**

Eligibility : **Min 12th**

Syllabus : **1ST Semester**

- **Fundamental of Computer**
- **Operating system (Dos & Window7)**
- **Office package 2010 (Ms-word/Ms-excel/Ms-PowerPoint)**
- **Introduction of internet and operate**

FEE : **1ST Semester**

Registration Fee	:	Rs. 700.00
• Course Fee	:	Rs. 3300.00
• Service Tax	:	Rs. 408.00
• Books	:	Rs. 586.00
Total Fee	:	Rs. 4994.00
